### CALL FOR VISITING PROFESSORS

The Department of Mathematics and Physics is currently accepting applications for Visiting Professorships for the autumn 2021. The deadline is September 6 2021.

The Department of Mathematics and Physics, in the framework of the MIUR Project "Dipartimento di Eccellenza 2018-2022" (see [here](#)) and in order to enhance at the highest possible level the quality of its graduate program and to promote cooperation with research institutions across the world, invites outside researchers in **Numerical Analysis** to apply for a visiting position within the autumn 2021 of at least 4 weeks. During her/his visit the candidate will collaborate and actively interact with the local scientific groups and will teach a course within the graduate program (Corsi del Dottorato di Ricerca) of the department.

Applicants must indicate in their application:

- the preferred period and the desired length of their stay;
- the scientific area of their expertise among the listed ones;
- the topic of the graduate course to be taught;
- a reference faculty member of the Department of Mathematics and Physics.

The available position will be assigned through a competitive selection procedure. The available budget is at most € 5.000,00 (five thousand Euro) gross per position. The money will be paid according to the following options:

1. **Full expenses reimbursement** (travel, lodging, and local expenses) upon presentation of original receipts, boarding cards etc.
2. **One-off payment.** In this case, the researcher will have to pay Italian state taxes. The latter taxation can be avoided (with the exemption of the IRAP tax of 8.5%) upon presentation of the following documents:
  - a. certificate of residence in her/his home country;
  - b. certificate of residence for tax purposes by the fiscal authorities of her/his country of residence for tax purposes (the country where she/he pays taxes).

The application, together with a cv, should be sent via email to the following addresses with subject "Call Autumn 2021: Visiting Eccellenza":
