**Notice:** any part of the selection procedure is graded with marks up to 30 points; grades below 18 will be considered not sufficient for admission to the second step.

Applicants with a grade of 18 or higher are eligible for the second step that will consist in an interview that will be held on **September 14 or 15 or 16, 2022**. The candidates admitted to the interview should be present on the day and time reported in the table above either in person or online (via Skype). During the interview the candidates will be asked to discuss with the committee their mathematical interests, illustrating their master thesis and their future projects. The interview will last about 20 minutes.

The candidates choosing to have the interview in person should come to room 008 of the Department of Mathematics and Physics, ground floor, building C, Roma Tre University, Largo San Leonardo Murialdo 1, Rome

For the candidates choosing to have a remote interview: the skype address used by the committee will be phd\_program\_roma3

Roma, September 8, 2022
