

Ph.D. Program in Mathematics 2022/2023

TOPIC: Federated Machine Learning in Intelligent Autonomous Systems (DM352)

FINAL RESULTS

	FAMILY NAME	NAME	TITLE EVALUATION (.../30)	INTERVIEW EVALUATION (.../30)	FINAL RESULT (.../60)
1	BRUNELLI	ROCCO	22	20	42
2	ZAMIR	BUKHTAWAR	18	17	Not admitted

The National Research Office (Ufficio Ricerca Nazionale - URN) will send an email to the first four candidates in the list at the email address communicated by each candidate at the moment of the application; the message will contain all the informations about the offer of the PhD position and the deadlines for the enrollment in the PhD program. The candidates who passed the oral examination will possibly be contacted by the URN with the same modalities and in order of descending score, as per the list above, in case some position will become available (e.g., if some of the first four candidates declines the offer)
