## CALL FOR VISITING PROFESSORS

The Department of Mathematics and Physics is currently accepting applications for Visiting Professorships for the period starting in March 2023. The deadline is December 23<sup>rd</sup>, 2022.

The Department of Mathematics and Physics, in the framework of the PRIN 2020 Project "Curves, Ricci flat varieties and their interactions" and in order to enhance at the highest possible level the quality of its graduate program and to promote cooperation with research institutions across the world, invites outside researchers in "**Bridgeland theory and its applications**" to apply for a visiting position of approximately 4 weeks starting from March 2023. During her/his visit the candidate will collaborate and actively interact with the local scientific groups and will teach a course within the graduate program (Corsi del Dottorato di Ricerca) of the Department.

Applicants must indicate in their application:

- the preferred period and the desired length of their stay;
- the scientific area of their expertise;
- the topic of the graduate course to be taught;
- a reference faculty member of the Department of Mathematics and Physics.

The available position will be assigned through a competitive selection procedure. The available budget is at most € 5.000,00 (five thousand Euro) gross per position. The money will be paid according to the following options:

1. **Full expenses reimbursement** (travel, lodging, and local expenses) upon presentation of original receipts, boarding cards etc.
2. **One-off payment.** In this case, the researcher will have to pay Italian state taxes. The latter taxation can be avoided (with the exemption of the IRAP tax of 8.5%) upon presentation of the following documents:
  - a. certificate of residence in her/his home country;
  - b. certificate of residence for tax purposes by the fiscal authorities of her/his country of residence for tax purposes (the country where she/he pays taxes).

The application, together with a cv, should be sent via email to the following addresses with subject "3rd Call Spring 2023: Visiting PRIN 2020" :
