in Via della Vasca Navale n. 84 – 00146 Roma

Please confirm your participation to the interview by mail to: dottorato.matematica@uniroma3.it and specify if you choose to be interviewed in person at the University of Roma Tre (Department of Mathematics and Physics, Via della Vasca Navale n. 84 – 00146 Roma) or if you choose a Skype interview, in which case you should communicate your Skype name to the above email address in advance at your earliest convenience. Please be aware that, in both cases, each time-slot is meant to interview several candidates, so you should be patient and wait for your turn.

If you intend to have a remote interview, you should be available on Skype at that time indicated in the table above and wait to be contacted by the committee. (The skype address used by the committee will be phd_program_roma3)

We take the opportunity to remind you that during the interview the candidates will be asked to discuss with the committee their mathematical interests, illustrating their master thesis, and their future projects and their connection with the research areas in the Department of Mathematics and Physics at Roma Tre University (in max 15 minutes including questions). Moreover, each candidate will be asked to give a brief presentation (max 10 minutes) on one topic, chosen by the candidate among the three topics indicated in the previous table (for the list of topics see the file "Temi_orale_XL_ciclo_eng"). The interview will last about 25 minutes.

At the beginning of the interview, candidates will be asked to express a priority (first, second and third choice) among the three different types of position:
