According to the Official Rules of the Call, only applicants with ranking equal or above 18/30 are admitted to the interview, which will take place with the following schedule:

September 3, 4, 8, 11 **h 9:30** **room A (first floor)**

September 5 **h 15:00** **room A (first floor)**

September 12 **h 9:30** **room C (ground floor)**

at the Roma Tre University, Department of Mathematics and Physics,

Via Della Vasca Navale n. 84 – 00146 Roma

Please confirm your participation to the interview by email to: dottorato.fisica@uniroma3.it. For serious reasons, it will be possible to ask for a remote interview using Teams. The request must be sent by **August 31, 2025**. In this last case the candidate should be able to share the screen and write formulas or draw graphs upon request.

Please be aware that each time slot is meant for the interviewing of several candidates, so you should be patient and

wait for your turn.

During the interview the candidates will be initially asked to discuss the master thesis and future research interests and plans to be carried out at the Department and/or INFN.

The interview will last about 30 minutes, including questions.

Finally, please remember to have your passport or other ID document with you for the interview.
